WORK EXPERIENCE

Junior Interactive Developer Publicis Sapient, Milan - Italy 2023 - present

During my working career, I have been involved in the creation of design systems, the design and updating of LPs, content management and customer relations (both national and international). In addition, I had the possibility of taking on roles of responsibility, such as that of buddy for new hires.

Web content intern Randstad Italia, Milan - Italy 2022

During my curricular internship, I was in charge of uploading videos to YouTube, designing, creating and updating the site's landing pages, editing company blog articles and SEO analysis.

Service centre employee MediaMarket S.p.A , Verano Brianza - Italy 2020 - 2021

As a service centre assistant, I managed customer relations, payment accruals, transactions as cashier, and accounting and closing operations.
